

Community Development Team

making a real difference

Since 2000 Aussie Action Abroad with our partners has been able to support a wide range of people willing to share their skills, knowledge & abilities, with Nepali communities in a variety of settings.

This venture will ensure participants contribute to change, through project work, relationships and understanding of each other and our Nepali friends.

Be prepared to contribute, learn, change and above all, make a difference.

dates

30th June - 14 July (15days)

participation cost

\$2,500AUD

All prices are per person

inclusions

All food, accommodation, activities, permits, local staff costs, materials and donations to community projects, internal travel, tours

excludes

Visas, personal gear, clothing, passport, taxes, personal insurance and flights in and out of Kathmandu.

Aussie Action Abroad will provide information to assist with booking

change

Being a developing country, our program and day to day operations may need to change

what does the trip include

Our 'work' could include carting stone, digging a trench, & mixing cement for a community facility, interacting with a local school, conducting a health discussion group - all alongside locally skilled people and our local partners to ensure our contribution is relevant and long lasting

Our team will have a variety of skills and AAA staff will enable participants to contribute in a productive and relevant manner

Additional project details will be sent to registered participants prior to departure

team size

Each group will consist of up to 10 participants, 1 leader, 1 medic and Nepali staff

accommodation

- basic accommodation
- depending on the location this may include tents, local tea houses and basic hotels
